Uniformity of rates of petro products in the Country

*317. SHRI AMIR ALAM KHAN : Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the present rates of diesel, petrol, cooking gas and kerosene in every State and Union Territory;

(b) the difference of rates of various oil products in each of the States and the reasons therefor;

(c) whether there is any proposal for uniformity of rates in all the States;

(d) if so, the details thereof; and

(e) if not, the reasons therefor?

THE MINISTER OF PETROLEUM AND NATURAL GAS (SHRI MURLI DEORA): (a) and (b) The present rates of four sensitive petroleum products, namely, Diesel, Petrol, PDS Kerosene and Domestic LPG in each State Capital/Union Territory are given in the statement. (*See* below)

The basic ex-storage prices of sensitive petroleum products are uniform at all refinery locations throughout the country and the difference in price from State to State is due to the different rates of Sales Tax/VAT and other local taxes levied by the State Governments.

(c) to (e) The subject matter of Sales Tax comes under the purview of the State Governments and they are vested with the power to levy Sales Tax/VAT within their States. The Central Government has been continuously taking up the matter with the State Governments for reduction in the rates of Sales Tax/VAT.

Statement
